

## Member Communication

Blue Ridge Electric has three primary ways to stay in touch with its members:

- 1) ***The Enlightener* Newsletter**  
Every member receives a copy of *The Enlightener*, a monthly member newsletter published by Blue Ridge Electric.
- 2) ***Carolina Country* Magazine**  
Each member may also choose to receive *Carolina Country*, a monthly magazine published by the North Carolina Association of Electric Cooperatives.

These publications provide:

- Information concerning the operation of the cooperative
- News of interest to members
- Tips on using electricity safely and efficiently.

- 3) **[www.BlueRidgeEMC.com](http://www.BlueRidgeEMC.com)**

Members may also access additional information through the cooperative's web site, [www.BlueRidgeEMC.com](http://www.BlueRidgeEMC.com), which includes Pay Online, an area where members can:

- Pay their bill online via check or credit card
- View their bill or usage history.
