

About Blue Ridge Electric

Blue Ridge Electric Membership Corporation is a member-owned electric cooperative serving some 73,000 residential, business, and commercial consumers in Caldwell, Watauga, Ashe, Alleghany, Wilkes, Avery, and Alexander counties. As a not-for-profit cooperative, we exist solely to serve our members, not to make a profit. Our mission is to benefit our member-owners by providing reliable electric and energy services—delivered efficiently and with extraordinary customer care. It is our purpose to be a major shaper of the future in our market area.

Our wholly-owned subsidiary, Blue Ridge Energies, LLC, is a separate, for-profit company providing propane and home heating fuels to customers in Caldwell, Watauga, Ashe, Alleghany, Avery, and Catawba counties. Featuring gas

fireplaces, logs, and more, its showrooms are located in the district offices of Blue Ridge Electric in Lenoir, Boone, West Jefferson, and Sparta.
